

Patriot Faithful!

Tomorrow night (September 13), the **Patriots Football** team will be taking a short 8 mile road trip to Spring Valley, facing off against Monte Vista High School. The Monarchs are coming off a heart wrenching 39-36 loss to Patrick Henry following a 28-14 victory over Rancho Buena Vista the week before. This is a big Division II match-up with early season playoff implications on the line.

The Running Patriots (**Cross Country**) represented Christian High well last Friday. Junior Alaina Zamorano won the Inaugural Cumming/Latham Invitational in the Mustangs Division Varsity race while Freshman Jasmine Guzman led the Mustangs Division JV race for well over half of it. 5 of our 7 runners medaled and Coach "Girl" Rhonda Kirwan eagerly awaits league competition. The team will have a break this weekend, but will race again next Saturday in the Mt. Carmel/Asics Invitational. Expect more hardware to be brought home by the Patriots.

Our **Girls' Tennis** team is on a roll! Last Tuesday, the ladies beat Crawford 11-7 followed by a 12-6 victory on Thursday over Hoover High School. It is exciting to see Christian High Girls' Tennis at 3-0!

Our Lady Patriots **Girls' Volleyball** team is currently ranked #5 in Division II with an overall record of 10-2. The Lady Patriots are playing well! The girls will be facing Valhalla (currently ranked #2 in Division II) on the road today at 5:30 pm.

Our **Girls' Golf** team had their second match this week vs. the Cavers of San Diego High School at Balboa Golf Course. Most of the girls are new to competing in golf, so the idea of facing a competitor is scary for them. It will be fun to watch the team improve over the course of the season.

This week's scouting report:

Last year's game against Monte Vista was a thriller ending in double overtime Christian High victory, with the Patriots getting the win on a two-point conversion. This should be another great ball game. The Monarchs are coached by Ron Hamamoto, one of San Diego County's all-time winningest coaches. The Defensive Coordinator for Monte Vista is

Christian High School Alum (class of 1988) Page Culver. The Monarchs want to run the football, often lining up in an old school straight T formation. This is the same formation last weeks' Alaska team ran against the Patriots. Although a very solid football team, they are not the Alaska State Champions...

The Prediction:

CHRISTIAN 28 Monte Vista 13

The Answer to Last Week's Trivia Question: The two CHS alums that are currently playing football at Missouri Baptist University are Jon Stine and Joey Morones. We are proud of the great season they are having! Last week Joey was named Defensive Player of the Week, with 13 tackles.

This Week's Trivia Question: Right now, Christian High School has four alums that are playing wide receiver at the NCAA Division I college level. Can you name them and the university's they attend?

To help you with the answer, we will give you the first one....

CHS Class of 2018's Jesse Matthews soars into the air to snatch a critical 3rd down reception for San Diego State. The catch set up a touchdown and the Aztecs went on to defeat UCLA 23-14 at the Rose Bowl in Pasadena last Saturday.

We will see you all tomorrow night in **RED**, **WHITE** and **PATRIOT BLUE**, at **Monte Vista**.
JV Kickoff is at 4:30 with the Varsity game at 7:00 pm.

GO PATRIOTS!

David Beezer

Christian High School Athletic Director
