COMMUNITY SERVICE: Just a reminder, summer is a great time to get a head start on community service for next year. If your student participates in a missions trip or serves a church for their summer kids programs, please make sure they print an Hours Served Log sheet and take it with them so that someone can sign off on their time. The link to the form is under Patriot Community Service in the high school section of the website. Any summer community service should be logged and turned in the first month of school to Mrs. Blake.

SUMMER SCHOOL: Summer School applications are online in Parent Resources or can be picked up in the school office.

JUNIOR HIGH SCHOOL: There is a lot going on in Junior High. Please make sure to read the email that was sent separately today with details about an HST (Historical Studies Tour) meeting for next year's trip and end of the year details and activities for Eighth grade. Also, tickets are on sale for the Eight Grade Moving up Dinner next week for \$15.00. Lipsync run-throughs are May 3rd at lunchtime.

SENIORS: The Counseling Office staff will be meeting with all seniors between May 6th and 8th during Bible to complete the senior survey in Naviance Student. Parents, you can help your student, and the counseling staff, by making sure your student has a list of applications they have submitted, the admissions decision of the school, and what scholarships you have been awarded.

FROM THE BULLETIN:

Celebrating Cinco De Mayo: The Spanish Department is celebrating Cinco de Mayo by selling mini piñatas for \$3 apiece. Orders can be placed with Señora Valdez or Señora Parada all week. Students can visit them in their classrooms or see Señora Valdez at lunch by the tarp! The \$3 Piñatas will be delivered Monday May 6th during 8th period (or 7th for some seniors).
