District Mission Statement

Recognizing the preeminence of Christ, partnering with parents, Christian Unified Schools of San Diego teaches students to think, learn, and live from a Biblical worldview by integrating God and His Word as the primary source of knowledge and truth.

School and Community: The Christian High Patriots

Christian High School, founded in 1965 by Tim LaHaye, pioneered private evangelical Christian secondary education in San Diego County. With its tradition of academic, athletic, and artistic excellence CHS created a prototype for Christian schools nation-wide. CHS provides a rigorous college-preparatory curriculum for a diverse population of 382 students including a dynamic International Program. Located in San Diego's East County, CHS represents a variety of communities, ranging from neighboring rural areas to Mexico border cities. The large number of students receiving tuition grants reflects CHS's commitment to provide access to private Christian education for all.

CHS is continually honored throughout the community by earning first place and superior ratings in curricular and co-curricular programs including student publications, academic competitions and fine arts. Over 75% of our student body participates in athletics and eleven of our 19 athletic teams have won California Interscholastic Federation (CIF) championships over the past decade.

- Average Class Size: 16
- Students attend 8 classes per day
- Percentage of 2017 graduates who planned to attend college: 97%

CHS does not rank students numerically. Instead, individual, weighted grade point averages are reported. Grade point average calculates all courses completed.
