

Instructions for First Time Users In RenWeb

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

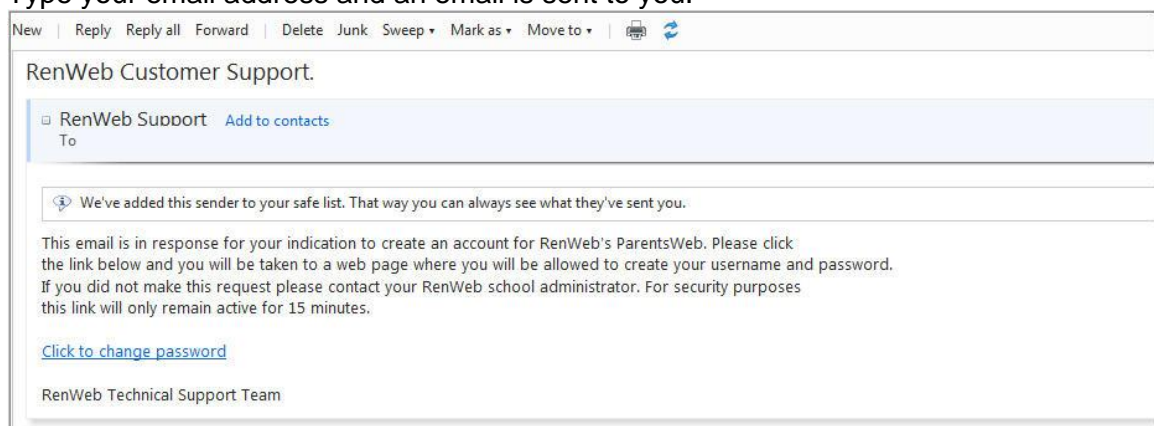

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You can see your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- First, you need to make sure that the school has your email address in RenWeb.
- Next, go to www.christianunified.org and click on the link for the Parent Dashboard at the top of the page.

Note: If you should ever need our District code (if you access RenWeb directly at renweb.com, it is CUSSD-CA)

- Click **Create New ParentsWeb Account**.
- Type your email address and an email is sent to you.

- Click the **Click to change password** link. This link is only valid for 30 minutes.
