District Mission Statement

Recognizing the preeminence of Christ, partnering with parents, Christian Unified Schools of San Diego teaches students to think, learn, and live from a Biblical worldview by integrating God and His Word as the primary source of knowledge and truth.

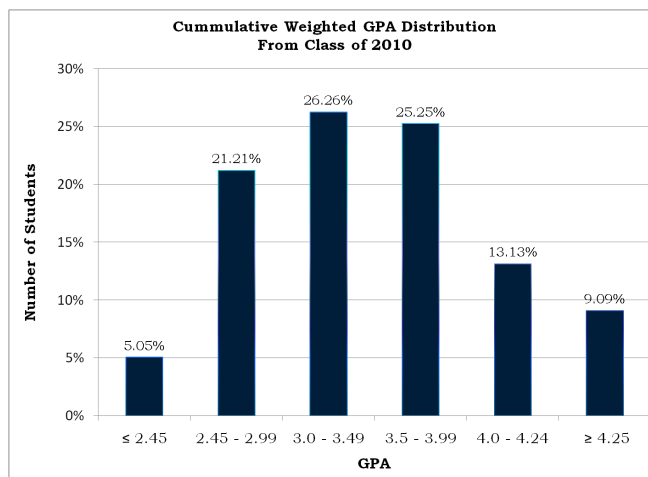

School and Community: The Christian High Patriots

Christian High School, founded in 1965, pioneered private non-denominational secondary education in San Diego County. With its tradition of academic, athletic, and artistic excellence CHS created a prototype for Christian schools nationwide. CHS provides a rigorous college-preparatory curriculum for a diverse population of 380 students including a dynamic International Program. Uniquely located in East County, CHS represents a variety of communities, ranging from neighboring rural areas to Mexico border cities. The large number of students receiving tuition assistance reflects CHS's commitment to provide access for all.

CHS is continually honored throughout the community earning first place and superior ratings in curricular and co-curricular programs including student publications, academic competitions and fine arts. Over 75% of our student body participates in athletics; ten of our 19 athletic teams were awarded California Interscholastic Federation (CIF) championships over the past decade.

- Student-to-Teacher ratio: 14:1
- Average Class Size: 15
- Students attend 7 classes per day
- Percentage of 2010 graduates who planned to attend college: 93%

CHS does not rank students numerically. Instead, individual, weighted grade point averages are reported. Grade point average calculates all courses completed.
