

Patriot Fans,

It has been an exciting season of Winter Sports for the Christian Patriots Athletic Department. It is great to see so many familiar fans supporting our teams and visiting our campus each week. Besides that, our teams are doing well and we have had a lot to celebrate in recent days.

Our **Boys' Basketball** team finished the first round of league competition undefeated. Last night, the Patriots faced previously unbeaten Point Loma and the Patriots gained possession at the top of the leader board with an exciting 51-48 win! The team will be hosting Madison High School tomorrow (Friday, January 27) at 7:30 PM at Home.

Our **Girls' Basketball** team defeated Point Loma as well yesterday 29-24. This win followed Friday's night's victory over Clairemont 53-23. We are very proud of our girls as two years ago this program was really struggling. In the tough 7 team Central League, the Patriots are only 2 games out of 1st place trailing only Coronado and Kearny. The Lady Patriots will be playing at home at 6:00 PM tomorrow evening.

The **Girls' Soccer** team had an exciting 2-0 win over Clairemont at home on Tuesday. If you have not visited the new synthetic turf complex, it is an exciting venue to watch a game! The girls will be facing Madison today on the road at 3:00.

Our **Boys' Soccer** team defeated Horizon 5-2 at home on Tuesday. It was fun to stand by the fence between the two fields and watch 2 varsity soccer games going on at the same time. With the new field, this is the first year that our boys and girls teams can host games on the same day. It was also even more fun that both of our teams brought home victories. The boys battled hard yesterday and finished the match with Clairemont tied at 0-0. The boys will be on the road tomorrow (Friday) at Madison at 3:00.

Our **Wrestlers** participated in the Mount Miguel Invitational last Saturday and congratulations to Dylan Johnson on a 1st place finish and to Paul Leimgruber on his 2nd place finish. Tomorrow (Friday) the team will be participating in a Tri-Meet against Lincoln and Serra at Serra at 3:00 PM.

Congratulations to Shane Dillon and Rayvon Owens for being selected by ESPN and Cal High Sports as California All State Football, 1st Team. Quarterback Shane Dillon was the first San Diego Section Quarterback since 2002 to throw for over 3,000 yards in a season. Rayvon Owens was selected as a defensive player, leading the CIF Champion Patriots in tackles, but also in rushing with over 1,400 yards this past season.

The answer to last Weeks' Trivia Question: The Christian High Patriots have won 12 CIF Championships in basketball with 7 for the boys and 5 for the girls.

This Weeks' Trivia Question: Which CHS athletic team has won the most consecutive CIF Championships?
