Important message to the International Student Community regarding Home stays

This letter concerns the **Homestay Policy** for students and home stays of Christian Unified Schools of San Diego (CUSSD). Beginning in January 2009 every home which hosts a student must be registered with a Homestay Company. Incoming students, and students who move, must be placed in the new home by a Homestay Company. Homestay Company information is listed on our website www.christianunified.com>Our Program>International Students>Home Stay

As you may or may not know, CUSSD does not choose, endorse, or arrange home stays or placement companies for the international students. With the same regard, the international community and the individual homes are free to choose which companies with whom to affiliate, and there are several companies present students and homes have used. Because of overwhelming requests, we are listing some companies willing to service your needs on the website. More will be added as they become available. All home stays (who are not blood relatives) will be handled by a locally-established company. Once again, CUSSD does not arrange placements nor endorse homes, particular students, or companies.

Thank you for carefully and prayerfully considering your involvement as a homestay. The spiritual growth, cultural adjustment and academic success of the students are directly tied to your familiarity with and support of the mission, procedures, and policies of the school.

The very first thing to do is to acknowledge receipt of this letter. You do so by printing, signing below, and returning this notice to **the International Office at Christian Junior/Senior High School** by mail, fax or email.

If we can be of any help, please contact either of us.

Sincerely,

Karen Andrews
