### Notes

1. This is not an exhaustive list; this list is intended in preparation for the school year.
2. Project supplies may be needed throughout the year as indicated by the instructor.
3. Often these class materials are on sale right before the beginning of the school year at places such Target, Walmart, Staples, Office Depot, & Costco.
4. PE Clothes will need to be purchased through Educational Outfitters prior to school starting.
5. This list is subject to minor additions as scheduling and/or teacher changes occur.
6. Don't forget your summer reading requirements! Check the school website for the list of books.
